

Senior Portrait Prices

Your one-hour photo session may take place at my South Hill Studio (indoors or outdoors), or at a mutually agreed location of your choice. A \$100.00 shooting fee (plus tax) is due when you schedule your appointment. This includes shooting costs and retouching for one image. This fee will be refunded if an appointment is cancelled with at least 24 hours notice. Because shooting times are limited, a \$25.00 rescheduling fee will be charged for missed appointments. Additional retouching and digital artwork fees and minimums apply to all print orders.
